

# Neighbors

## Serving

**Neighbors** is the trademarked logo used by *independent gasoline retailers and convenience store operators* throughout Florida.

For many years these independent businesses have been proud to be your neighbors and proud to be making significant contributions to their local communities. In the past they have kept a low profile and worked hard to look just like the big outlets that are owned and operated by the major corporations.

***We are now ready to stand up & be counted!***

Please watch for the “Neighbors Serving Neighbors” logos on the gasoline pumps and store doors in communities throughout Florida.

***We want our customers to know who we are and to know that we are proud to be their neighbors!***

---

*Please feel free to contact FPMA regarding information on the petroleum industry in Florida!*
